Our Katrina experience was:

I believe our experience was like most in Waveland. Devistating! Not just the loss of homes + material items. But the not knowing if family + members' friends were ok. 2 days after the storm my family was standing where my parents house used to be + my Sister + her family pulled up the relief of seeing them brings tears to my eyes to this Day!

Write something special that you would like Santa to bring you or your family:

Jody - Laptop, Xbox360 w/ Halo 2, PSP

Harli - chinup bar, trampoline, kitten, giftcard

Melanie - Icecream Maker, Breadmachine, Hammock

Jason - Cordless power tools, Laptop, Lawnmower

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
